A numerical look at the ISDS regime

Known ISDS cases, annual (1987-2015)

Source: UNCTAD, 2016

In the *first 30 years* that the ISDS regime existed, just 50 cases were launched...

...but in the *last 5 years*, over 50 cases were launched *each* year.

Tribunals can award corporations *unlimited* amounts of taxpayer money.

Under U.S. pacts alone...

...governments have been ordered to pay nearly \$3 billion in compensation to foreign firms...

...and more than \$70 billion remains in pending cases.
