

By the Numbers

A numerical look at the ISDS regime

Known ISDS cases, annual (1987-2016)

Source: UNCTAD, 2017

In the *first 30 years* that the ISDS regime existed, just 50 cases were launched...

...but *since 2011* over 50 cases were launched *each* year.

Tribunals can award corporations *unlimited* amounts of taxpayer money.

Under U.S. pacts alone...

...governments have been ordered to pay nearly \$4.5 billion in compensation to foreign firms...

\$4.5
billion
paid

...and more than \$58 billion remains in pending cases.

\$58
billion
pending
